SAP Career Certificates Team

Hlumile Nkohla

has successfully completed the online, non-credit Professional Certificate

SAP Business Analyst

Congratulations on successfully completing the SAP Business Analyst Professional Certificate program! This accomplishment signifies that you've gained valuable skills and knowledge to excel in this role and are well-equipped to contribute to the success of organizations. Throughout this comprehensive program, you explored the art and science of business analysis in an SAP environment. The program delved into the core principles of business analysis, explored various SAP tools and technologies, and fostered the development of practical skills through hands-on activities and projects.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
